

Peter SURAI

(United Kingdom)

E-mail: psurai@feedfood.co.uk

He graduated in Ukraine as a biochemist and did his PhD and DSc there in physiology and became Professor of Human Physiology. In 1996 he moved to Scotland where in 2001 he was awarded a professorship in Nutritional biochemistry at the Scottish Agricultural college. Now he is the technical director of the innovative company Feed-Food.Ltd in Scotland continuing my research in the field of natural antioxidants. He has more than 600 research publications including 10 books.
